Hi Deba,

The shipping fees for DHL to USA is \$24.93.

So the total fees is  $9.9 + 29.15 + 24.93 = 63.98$ .

Could you go to the assembly page to purchase 64 units(\$64) and choose Walk IN selection?

And please send the gerber file to me again to avoid some mistake.

Best regards,

---

David
